

# Women in Industry Grants Program

What is expected of an organisation if they are successful in this grant program.

The purpose of this grant program is to support women's participation and leadership in traditional and emerging industries dominated by males. Women often experience significant challenges when working within male-dominated industries because of unintended or deliberate discrimination due to gender bias. This program supports women to enter, remain, succeed and lead in male-dominated industries.

## If you application is successful

Your organisation you will be required to:

- Enter into a service agreement with the Department of Health before receiving the grant funding.
- The service agreement comprises of two parts the [Short Form Terms and Conditions](#) and the Particulars. Please familiarise yourself with **both** documents once received.
- Provide a certificate of currency for insurance prior to funds being released. At a minimum, applicants must hold public liability insurance to the value of at least \$10 million.
- Acknowledge the funding source (Women in Industry grant program | Queensland Government) on any printed or promotional material relating to the project or activity (including websites) using the funded by Queensland Government logo.
- **Category 1 applicants** will be required to provide fulsome project plan by December 2024.
- Complete an interim report outlining progress and any delays.
- Following the delivery of the funded project, complete an activity report outlining the project and outcomes achieved.

## Reporting requirements

- An interim report detailing progress of the project and any possible delays, submitted via SmartyGrants will be required.
- On completion, we will require your organisation to complete a project activity report through SmartyGrants, outlining activities delivered and outcomes achieved.
- Provide copies of any resources (including website development), reports, videos, photos, audio files that you made as part of your project, initiative or activity.
- Provide a copy of any flyers, or social media posts, and/or activities undertaken as part of promoting the project.
